

## Minutes from CEESA WP2 Meeting

**Date:** 2 May 2007  
**Place:** AAU/KU-KVL via phone

### **Present:**

Henrik Lund, AAU  
Brian Vad Mathiesen, AAU  
Mads Pagh Nielsen, AAU  
Niclas Scott Bentsen, KU-KVL

### **Discussion and decisions**

The meeting made a status on the ongoing activities and planned for work to be presented at the coming consortium meeting in August.

Next meeting in WP2 will prepare for the August meeting and will be held on 3 July at 10:00-15:00 in Aalborg, room 57, at Fibigerstraede 13.

Find map at the following link: <http://www.plan.aau.dk/tms/kortuk.php?id=4>

Status and planned work on previous defined work areas:

#### ***1. Defining transport technology energy chains***

Mads has started to define a list of transport technologies and will be able to write and present a first version at the August meeting.

Mads will make a presentation at the meeting in July.

#### ***2. Defining Biomass potentials***

Niclas' employment has just been effectuated, and Niclas has begun working on the biomass resources. Niclas will present a first evaluation of the biomass potentials in DK at the August meeting.

Niclas will make a presentation at the meeting in July.

#### ***3. Defining transportation demands***

The activities in defining transportation demands will be coordinated with the WP1 scenario. The demands will be presented at the August meeting as part of the WP1 scenario presentations.

Brian will make a presentation at the meeting in July.
